

BOROUGH COUNCIL ISSUE BRIEFING

COUNCIL / COMMITTEE: Parking Committee

DEPARTMENT MANAGER: Clark Elms

DATE: January 8, 2019

I. Action to Be Considered by the Borough Council

Consider lifting the moratorium on new parking permits at the request of a resident and discuss his concerns with the residents of Sharpless Works parking on street instead of their parking lot.

II. Reason Why this Issue Needs Borough Council Consideration

The moratorium was put in effect by Borough Council as we develop and use the Comprehensive Parking Guide to attempt to make the best decisions for all.

III. Current Policy of Practice

Borough Council would need to authorize lifting the moratorium.

IV. Other Background Information

I have discussed with Sharpless Works management and they are certain they have more than enough parking, but cannot force their residents to park on their free lots in the cases where street parking is more convenient. They are aware of the issue and open to assisting the Borough if it is feasible.
