

## BOROUGH COUNCIL ISSUE BRIEFING

COUNCIL / COMMITTEE: Parking Committee

DEPARTMENT MANAGER: Clark Elms

DATE: April 9, 2019

I. Action to Be Considered by the Borough Council

Consider removing up to 10 meters from N lot and allowing any State registered car to obtain a permit.

II. Reason Why this Issue Needs Borough Council Consideration

The 16 meters are not used often and we have yet to sell the lot out in four years. Allowing for more parking for anyone regardless of Pa registration may slightly reduce neighborhood congestion as well as add revenue.

III. Current Policy of Practice

Borough Council must approve this type of change.

IV. Other Background Information

I. Impact on Borough Finances

Potential of a gain of \$2,000 annual revenue as well as a slight decrease in parking congestion in Area A.
